"Thank you ecofleet for a fantastic and very professional service. I arrived to meet Red the driver who was already on site waiting for me. He was incredibly professional following corona safety guidelines. All deliveries were made on time with a friendly and personal touch and I feel great about supporting the cleaner air campaign. I look forward to using this service again next month." -

Craig Wellstead - AFC Wimbledon

"Always on time , friendly, great help to those in need of food boxes . Downside or things to improve I can't think of any so that's good.

Also I'd like to thank you and each cyclist that gave up their time to help those within the 3 Boroughs we support receive much needed food." -

Christiane Ella - TW Magazines, Richmond

"We and our customers found the service friendly, efficient and above all eco-friendly. We'd never considered delivering tins of paint in this way before!" -

Matt Allard, RV TASS, Twickenham
